

Three Parking Lots Offered Free To Lejeune Marines

Camp Lejeune Marines were offered three different tracts of land on which to park their cars this week to avoid hauling and storage charges which result when they are left on Jacksonville city streets over 36 hours.

The land, two lots on the Swansboro highway, near the camp, and one in Jacksonville were offered as town officials were forced to have the cars moved by local firms in an effort to aid a desperate parking situation here.

The Marines, most of them reserves who have just been assigned to the base, have been parking their cars on the city streets and in business parking lots and leaving them there for days at a time since they are not allowed to take them on the base unless the cars are insured.

The three lots offered for free parking include land owned by R. R. Tallman on highway 17 between Marine Chevrolet and the Trailways garage and across the highway from Center Service station, land adjacent to Cole's Drive-In on Highway 24 owned by E. H. Cole and Kirby Thompson and the plot of land leased by the Chamber of Commerce also on Highway 24 adjacent to the Hadnot-Sandlin VFW post.

Camp Lejeune officials have estimated that approximately 35,000 officers and men will be assigned to the base by January 1. With the increase in the number of personnel at the base will, of course, come more cars to aggravate the already overcrowded parking conditions here.

In the past few weeks, since the reserves have been arriving steadily at Lejeune, local officials have been faced with finding a solution to the parking problem.

Last week, local garage men were directed to remove all cars from the city streets which had been parked there over 36 hours. The step, Mayor Herbert Eastwood said, was one which the town did not wish to take but which "was necessary for our own defense."

All three owners of the land which has been offered for parking space stressed yesterday that the Marines were free to use the space without charge but the owners emphasized that they would not be responsible for any theft or damage to any cars left parked on the lots. The owners added, too, that the cars would be left on the lots as long as the Marines wished but that the Marines would be responsible for them.

Letter of Commendation

Maj. Gen. Ray A. Robinson, Commanding General of Camp Lejeune, this week received a letter from Maj. R. V. Perkins, Officer-in-charge of the Marine Corps Recruiting Office, Cincinnati, Ohio, commending the conduct of approximately 225 Marines, mostly from Camp Lejeune, who were recently stranded in that area due to the snow storm. Major Perkins said that he received many letters from civilians in that area stating that the Marines behaved in an exemplary manner and that there wasn't one case of disorderly conduct reported to the Military Police or to the recruiting office.

The Commanding General says he is always proud to receive reports similar to the above letter. It shows that the men of this command uphold the traditions of the Marine Corps in neatness and in conduct.

Field House Parking

The parking Area in the vicinity of the Field House, Football Field, and the Protestant Chapel will be cleared of all permanently parked vehicles by 1000, December 8, in order that the entire parking area will be available for parking purposes during the dedication ceremonies at the Field House that evening.

Vehicles permanently parked in the above area may be parked in the division shop area between Lewis Road and Main Service Boulevard opposite Area 5 during the above mentioned period.

Normal parking may be resumed on December 9.

Marine Pilots Active In Bitter Korean Action

BY CAPT. REUBEN MONSON WITH THE FIRST MARINE AIR WING AT WONSAN—Striking at dawn, ten Corsair fighter pilots of the First Marine Air Wing bombed, rocketed and strafed 40 troop and storage buildings in a North Korean Communist stronghold.

The lightning concentrations in and around Huku-Ri, about 28 air miles northwest of Kamhung. Early morning haze and overcast prevented any positive assessment of the strike's damage. However, tons of explosives and numerous Napalm (jelled gasoline) bombs were dropped by the First Marine Air Wing pilots who struck through the openings of the clouds.

Sporadic anti-aircraft fire from small caliber weapons was reported by Capt. Lee Brown and Capt. Walter J. Klimek. This flight struck two large troop buildings but couldn't assess the positive damage done to either.

Another flight, using Napalm and bombs, destroyed six buildings and damaged 20 others. This flight, led by Major Jack Brushert, (Editor's Note: The December 2 issue of A. N. and AF Journal listed Major Brushert as missing in action), included Capt. Marvin Berg, Capt. Lawrence R. Denham, and Tech. Sergeant Gus H. Pennell.

Twelve buildings containing troops were bombed and rocketed by still another flight: Maj. D. H. Davis, Capt. Joseph R. Kapsch, First Lt. Pat Dugan, and First Lt. Richard D. Williamson.

Quantico Sgt Killed In Automobile Crash

QUANTICO, Dec. 4.—Staff Sgt John William Stein, 27, of the Marine Corps Schools, was killed last night when he was thrown from his car after it crashed into a tree, a mile east of Triangle, Marine officials reported.

Sergeant Stein apparently lost control of his car on a curve, officials said. The car ran off the road for approximately 130 feet and crashed into a tree. He was thrown out and the vehicle continued on for some distance, they reported. He was pronounced dead at the scene.

A member of the Marine Corps for eight years, he saw action during World War II in the Pacific.

Midway Park

By Recreational Director

There will be a stage presentation "Christmas Parade" on Saturday December 9 at 7:30 p.m. in the Community Building. This program is sponsored by the Midway Park Woman's Club, Youth Conservation Committee department and the Recreational Director of Midway Park. It is for the benefit of the youth of this community. A fee of 25 cents is your investment in our children, besides a fine show will entertain you. The lucky ticket holder will win a door prize. Santa will be here and cooked ready-to-eat turkey will be raffled.

On Wednesday evening December 6 the Adult Sunday School will have a Christmas Party in the Community Building at 7:30 p.m.

The Girl Scouts and Brownies are busy painting the windows in the Community Building. This project is an annual one but the first for the Girl Scouts.

The doors entering the Community Building is a project for the newly organized Little Men's Club.

Please take note. We would like to have some comments from the residents of the community on this project. It is encouraging for the children to know that their work is recognized.

Congratulations to our Camp Lejeune School for winning first place in the Christmas Parade in Wilmington last Friday. We are all proud, but little wonder when we stop to think of the talent we have at our school, students and teachers.

There will be a big day at Midway Park on December 23. A program will be broadcast from the Community Building on Saturday morning at 10:30 a.m. by the children. Those of you who cannot come to the broadcast, listen in to WJNC. All are welcome. There will be fun, music and a door prize.

Staff NCO Wives

The Bazaar on last Saturday was a huge success with approximately 600 children and adults coming to see Santa and purchasing gifts made by members of the club. The winners of the cowboy suits were for the boys, C. Gerlach and for the girls Miss Sandarillo. The lamps were won by Mrs. Twork. The ladies in charge of the booths were Mesdames Bernice Stickle, Vera Smith, Helen George, Myrtle McNeas, Margaret Martin, Betty Mae Smith, Annie Olesnovich, Betty Wells, June Ballenger, Bonnie Rothgeb and Louise Ewert. Mrs. Helen Shero made the arrangements for Santa to be there and for him to present the children with a small favor.

The children had a grand time. We want to thank all the men and women who worked on the publicity, on booths, on making articles and in every detail. We have enjoyed a big success and we owe it all to you.

Our next meeting will be on Thursday, December 14, at 8:30 p.m. in the Midway Park Community Building. All Staff NCO Wives are cordially invited to attend. The nominating committee for new officers are Mesdames Mary Rasnick, June Ballenger, Frances Rogers, Eva Wiek and Betty Mae Smith. All members are urged to come to the next meeting for the voting of new officers.

Atomic Medicine

Admiral Fredrick Greaves, USN will give a lecture on Atomic Medicine Thursday Dec. 7 at 2000 at the U. S. Naval Hospital Auditorium for officer personnel desiring to attend.

Wilmington Choral Society To Perform Here Sunday

Camp Lejeune personnel will have the opportunity this Sunday, December 10, to hear sung Handel's great Christmas oratorio, "The Messiah." At 4:00 p.m. and again at 8:00 p.m. the Wilmington Choral Society and the Wilmington Civic Orchestra will perform this oratorio in the Camp Protestant Chapel.

The chorus of 80 voices and the orchestra of 35 instrumentalists will be directed by Edwin D. Clark, Minister of Music of the First Presbyterian Church of Wilmington. Accompanying the group will be Henri Emurian at the organ console. Dr. Emurian and Dr. Clark are both musicians of note. Dr. Clark is a member of the American Guild of Organists, received his Master's Degree at Eastman School of Music Rochester, N. Y., where he taught organ. He also studied at Union Theological Seminary, New York City and Westminster Choir College. Dr. Emurian is a graduate of Hampden-Sydney and Westminster Choir colleges and sang with the St. Cecilia Society of Boston in the Mozart "Requiem" under the direction of the noted Serge Koussevitsky.

"The Messiah" is one of the really great oratorios and has immortalized the name of George Frederick Handel. With the scriptural passages upon which "Messiah" is based before him, Handel began the task of composition on Saturday, August 22, 1741. For 24 days the composer remained in his room, until on Monday, September

14, 1741, he brought the finished "Messiah" to a trial close. First produced in Ireland, where it was great acclaim, Handel, beginning brought out the "Messiah" year in London with a pause. Through the centuries, the world around received with the same acclamations of Handel's piece, as the "Messiah" to bring a message of joy, fort, and hope to all who

No tickets are necessary either performance in the Chapel organist, Mr. Brainard, will play for a period before each performance.

Another Sullivan

GREAT LAKES, Ill. (AFPS).—Arthur P. Sullivan, 20, cousin of the five Sullivan brothers killed in action during World War II, has joined the Navy. He hopes to become a machinist's mate, and has volunteered for service on the destroyer "The Sullivans," named in honor of the five brothers lost when the cruiser Juneau was sunk eight years ago.

Well Done

The following letter was received by the Commanding General from the Officer in Charge of the Southern Recruiting Division.

"This Division wishes to express appreciation to you and your command for your excellent support of the 'MARINE CORPS BIRTHDAY RECRUITING CAMPAIGN,' in furnishing this Recruiting Division with names and addresses of prospects for enlistment in the United States Marine Corps.

"The names and addresses of prospects furnished by members of your command will go a long way in helping the Marine Corps Recruiting fulfill its mission of enlisting 'VOLUNTEERS' to keep the Marine Corps a 'VOLUNTEER' service.

The Commanding General is pleased to receive letters such as the above and desires to extend to all who look part in the recent Marine Corps Birthday Recruiting Campaign a hearty 'Well Done.'

From Pilots Aboard To Pilots Ashore

WONSAN, North Korea.—Christmas came early this year to Marine Pilots at Wonsan, North Korea. An entire plane load of cigarettes and candy was flown in from the aircraft carrier, Philippine Sea, which has been operating in these Far Eastern waters for many weeks. The luxury items had been purchased by Navy fighter pilots aboard the carrier and were labeled: "From the Pilots of the Philippine Sea to the Marine Pilots Stationed at Wonsan."

Masonic Notice

Onslow Chapter No. 94, Royal Arch Masons, will hold a public installation of officers at 2000, Monday, December 11 at its Masonic Temple, Jacksonville. All master masons and their ladies are invited to attend. The installing officer will be Garrason A. Farrow of New Bern, Grand High Priest. Refreshments will be served. It is hoped that sojourning brethren and companions, particularly the military, will avail themselves of this opportunity to widen their acquaintances among the local members of the fraternity.

Marine Pilot Captures Korean Guerrilla Band

WITH THE FIRST MARINE AIR WING AT WONSAN.—Capt David G. Swinford is thought to be the first Marine flyer to be instrumental in capturing a band of North Korean guerrillas.

He was on a return flight from Majo-Ni, 20 miles west of here, when he received a radio message that a small house on a ridge near the front lines of a Marine battalion housed a number of snipers and enemy troops.

Captain Swinford already had knocked out three trucks and an armored car during the flight. As a result, he was short of ammunition, but he dived upon the house and loosed a burst of 20mm cannon fire.

No less than 50 North Koreans, a few in uniform and the others in the civilian garb affected by the guerrillas in the area, came tumbling from the doors and windows of the structure. Waving white clothes and bowing, they started down the road in the direction of the Marine lines. Meanwhile, the captain made several passes over them, flying at low altitude, "just to keep them in line."

As they neared the lines of the ground Marines, Captain Swinford radioed them to tell of the surrendering North Koreans. The ground units said they would send out a patrol to meet them. The pilot, already short on fuel and most of his ammunition expended, turned and headed for Wonsan.

Cherry Point Marines Save Elderly Woman

CHERRY POINT, Dec. 3.—Ten men from Aircraft Engineering Squadron-42, here at the Marine Corps Air Station, recently came to the aid of an elderly New Bern citizen.

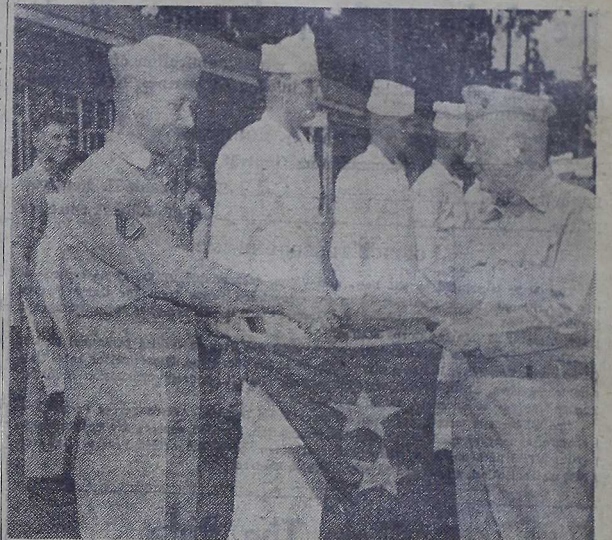

To save the life of 72-year-old Mrs. Rhoda Brock, who is a patient in the Duke University Hospital, Durham, it was necessary to give her blood taken from the hospital's "blood bank." In order to eliminate the \$25 per pint cost, donors would have to be obtained to replace the blood, which had been taken from the "blood bank" and given to Mrs. Brock.

At this time, Mrs. Brock's son, Mr. J. B. Brock, appealed to the New Bern Chapter of the Red Cross for aid. Attempts to procure donors from the New Bern citizens proved futile, because of the time required to travel to Durham.

In their next attempt, the Red Cross came to the men of AES-42 here at Cherry Point. Their appeals met with success. Only ten donors were needed, but the volunteers numbered many more.

The ten men were flown to Durham, by Maj. R. H. Hobbs, of Headquarters Squadron-2. They were met at the Raleigh-Durham Airport by representatives of the local Red Cross Chapter, who provided for their transportation to and from the hospital. After completing the process successfully, and before returning to Cherry Point, the men were treated to a steak dinner, compliments of the Red Cross. Each of them will receive a certificate of merit from the Red Cross, for donating the blood.

Mess Pennant Award

Maj. Gen. Ray A. Robinson presents the Mess Efficiency Pennant to Tech. Sgt. Cletus P. McGrath of the 2d Engineer Battalion Mess Hall. This is the sixth time in four months that Mess 508 has won the award which is presented for cleanliness, neatness and quality of food.

A recent addition to the staff is First Lt. Wayne E. Steele, mess officer of Mess Hall 508.

(CONT. FROM PAGE 1) alcanal campaign. He was as Intelligence Officer for the Division when killed in action Aug. 12, 1942.

For his part in planning the operation that wrested Guadalcanal from the Japanese, Colonel Goettge was posthumously awarded the Legion of Merit.

The building which will bear his name is a red brick structure designed to harmonize with the Georgian Colonial style of architecture employed in all permanent construction at Camp Lejeune.

Built in the shape of a flattened oval, the Field House is approximately 235 wide and 180 feet long. Retractable hardwood bleachers seat 1690 on the main floor, and 2473 individual chairs are located in the concrete balcony which circles the interior walls.

It provides an arena for such indoor sports as basketball, boxing, wrestling, and judo. The building will also be used for such special events as the Marine Corps Birthday celebration held here last month.

Offices, locker rooms, showers, refreshment booths, and store rooms for athletic equipment are built into the space beneath the balcony.

Electric basketball score boards are placed at each end of the balcony and music can be piped in over the public address system. Special heating and ventilation systems maintain an even temperature and the ceiling is covered with sound-absorbent material.

Construction began in June, 1949, when Major General Hart, who was then Commanding General here, broke the first ground. Laborers put the final touches to the building and landscaping this week.

Marines here are proud of the fact that the Field House was built and equipped at no cost to taxpayers. Every cent of the \$800,000 bill came from profits on post-exchange sales to service personnel.

Forest Fire Stopped By Lejeune Marines

Members of the Rifle Range Detachment and the 2d Battalion 6th Marines spent a busy morning last Friday beating out a forest fire that destroyed more than 4,000 square yards of pines and brush, in the Stone Creek area.

Commanding Officer of the Rifle Range, Lt. Col. H. R. Migneault, had nothing but the highest praise for the Battalion, and for his own men for their actions in extinguishing the fire. He stated that they acted like most Marines by coming through when the chips were down. The fire was secured by shortly after noon.

Marines Rescue Frostbitten GI's

WITH THE FIRST DIVISION, Dec. 3.—(U.P.)—A handful of Marines told today how they rescued some 300 wounded, frostbitten GI's from the frozen surface of Changjin Reservoir and from huts along its edge.

The soldiers were survivors of a Communist ambush against a convoy of wounded. Most of them had crawled 2½ miles out on the ice from the southern tip of the reservoir.

"They were scattered over the ice as far as I could see," Lieut. Fred Van Brunt of Cucamonga, Calif., said. "It was the most horrible sight I've ever seen."

"Many were crying and hysterical. Some were sick and vomiting. Some had so many wounds you could hardly touch them."

"The Chinese would not shoot at the wounded on the ice, but they would shoot at us when we started toward them. We drew fire all the time and water would spurt three feet high when a bullet went through the ice."

"The men's hands were black with frostbite. Some had no shoes. The Chinese had taken them. Some of those able to walk were so dazed they didn't know where they were and just walked in circles."

"Some of them were practically dismembered. One man had an eye shot away. It makes you want to cry to see your people shot up like that. All of them had been wounded before the Chinese hit them again in the convoy."

Some of the GI's had been in the open as long as five days. Most of the men fled to the ice after the Reds ambushed the convoy of wounded Friday night. The Chinese riddled the trucks with submachine guns and grenades, overturned some and set others afire with the men in them.

Selection Board Meets For Officer Promotions

WASHINGTON, Dec. 3.—A Marine Corps selection board met this week to recommend officers on active duty for temporary promotion to lieutenant colonel.

The Marine Corps said the board "may recommend 262 majors." Of this number, 247 will be unrestricted officers, 14 supply duty officers, and one limited duty officer. The promotion zone in the lineal list extends from Robert W. Gickert to David R. Griffin, inclusive.

Brig. Gen. George F. Good, Jr., Commanding General, Troop Training Unit, Atlantic, is President of the Board, and other members are Colonels Raymond P. Coffman, Alexander W. Kreiser, Jr., Samuel K. Bird, Neils H. Nelson, David M. Shoup, Samuel S. Jack, Alan Shapley, Robert B. Luckey, Lester S. Hamel, John Wehle and George H. Cloud. The Recorder is Lt. Charles R. Livingston.

Piney Green News

BY SGT. W. E. MAREY

After two weeks of diligent search, I have identified the Pied Piper of Piney Green. For some time this gentleman has been filling every groove in the area with some mild and mellow sax notes and many of the populace want to know "who." Well, he is Charles Cannon of Wilson, N. C., known by fans all over the Eastern seaboard as King Charles.

The members of the newly formed Men's Civic Club of Midway Park met last Thursday evening at the home of Pfc. Norman E. Jordan and elected temporary officers. A special meeting for drawing up a constitution and by-laws was held Sunday at the home of Sgt. Leo McDowell. It was also decided that the group would sponsor a Sunday School, and Pfc. Willie Green was named Superintendent and Mrs. Mary Thompson volunteered as pianist. Many of the members volunteered as teachers for the school, which held its first classes Sunday at 10 a.m. A large attendance was reported and it was decided to hold the school every week at the same time. Information on the school may be had by calling 5291. The next meeting of the club will be this Saturday evening at 8 p.m. in the Administration Building of Midway Park.

The Piney Green Ladies' Club has announced that it will give prizes for the best interior and exterior Christmas decorations during the coming holidays. Judges for selecting winners will be chosen by the club. The date for the contest will be announced later.

It has been requested that every residence send a representative to the Community meetings held every Friday evening at 8 p.m. in the Administration Building in Piney Green.

Sgt. and Mrs. David L. Jones were the guests of Staff Sgt. and Mrs. Joe Thomas on a week-end fishing party recently.

Sgt. and Mrs. James R. Levitt visited relatives in Richlands, N. C. last week-end.

Mrs. Gertrude Kinsey had her mother, Mrs. Emma Bohler of North Augusta, S. C., as a guest last week.

"Christmas Comes But Once a Year, And When It Comes It Brings" the "Christmas Tea" sponsored by the STEO Group of the Officers' Wives Club. So, members, make your plans now to partake of "Christmas Cheer" in the River Room of the Commissioned Officers' Mess on next Wednesday, December 13 at 3:30 p.m.

The Group Chairman, Mrs. F. P. Hager along with Mrs. W. R. Sytz of Shore Party Bn., chairman of the Tea Table; Mrs. R. L. Smith, Engineer Bn, Chairman of Decorations; and Mrs. R. M. Fawell, Jr., 2d Tank Battalion, Publicity Chairman, invite all Officers' Wives Club members to join in next Wednesday's festivities.

The Paradise Point Nursery will be open at 3:00 p.m., Wednesday December 13. Reservations must be made prior to that time by calling Mrs. Pirobst, ext. 2382.

The H&S Battalion Group of the Officers' Wives Club met today for luncheon and a "White Elephant Auction" in the River Room of the Commissioned Officers' Mess. Members arrived laden with "White Elephants" wrapped as Christmas gifts. Money changed hands rapidly as the bidding went as "high" as 25 cents and a good time was had by all.

Staff NCO Club Activities

INFORMAL DANCES

On Friday, Saturday and Sunday evenings, December 8-9-10 the Divisionaires will play for your dancing enjoyment beginning at 2000. Uniform for these dances will be liberty uniform or civilian clothes with coat and tie. Sport shirts may be worn if the shirt has a collar attached and the collar is buttoned at the neck.

BINGO PARTY

Monday night is Bingo Night at the Staff NCO Club. Come up and join your friends for an enjoyable evening of fun. Games commence at 2000.

Winners of the regular Monday night bingo at the Hadnot Point Staff NCO Club were as follows: Merchandise Msgt. Sam W. Sharpe, Jackpot Tech. Sgt. E. E. Paederick.

Who-Da-Think-It?

For five years, 17-year-old Dixie Nelson was an invalid because of rheumatic fever. After a courageous battle, Dixie realized her ambition. She has been signed by a major motion picture studio to a long-term contract.

For an enjoyable evening don't forget the Bingo Party sponsored every Wednesday night at the Community Hall by the Trailer Park Council. The Bingo on November 29 was extremely well attended.

Remember the recreation gear at the soda shop in the Community Building. All the games are for your use, free of charge. And don't forget the many facilities for fun for all.

Plane Reservations

Personnel of Camp Lejeune who contemplate using commercial airline transportation during Christmas and New Year's holiday periods are advised to make reservations well in advance for flights out of Wilmington and New Bern Air Ports. During the Thanksgiving holiday period, numerous persons were unable to obtain airline space, due to the fact that no advance reservations were made.

The Camp Lejeune P.T.A. will meet on Tuesday evening December 19 in the school auditorium. A program of music will be presented with the Glee Clubs participating. This is an annual event and one of the highlights of the Christmas season.

A bake sale will be held immediately following the program. This is being planned by Mr. J. W. Darr, budget and finance chairman along with his committee. Plan to attend and support your school.

Scout Drive

The Boy Scout Fund Drive is on!
Boy Scouts, Girl Scouts, Cub Scouts, Explorers and Brownies of Camp Lejeune are all participating in publicizing the drive by putting on short skits at the Camp Theater. A booth has also been erected by the Scout Committee in the lobby of the Camp Theater where Boy Scouts and Girl Scouts are stationed to further publicize the Scout drive.

Captain Poppke has contacted 38 officers of the various units at this camp and they in turn are soliciting funds for this drive.

Chaplain McGowan has contacted the civilian personnel on the base and at Midway Park and has organized a soliciting team for this drive.

Help make the scouting program a success at this camp. The goal is \$1500. Let's go over the top!

Gridders Accept Gulf Bowl Bid

The Globe Sports Sports At A Glance . . .

BY SGT. HUGH GIOACCHINI

Last week the jersey-clad Marines provided we action-hungry fans the ultimate in thrill-packed sports entertainment.

For the first time this year varsity basketball made a bid to compete with "king" football, and succeeded in matching the boys in cleats, thrill for thrill.

Eastern Carolina Teachers and Atlantic Christian were the first to feel the sting of the locals and judging by their performances in those two games the Lejeune cagers are going to make it mighty uncomfortable for many a highly touted team. Tomorrow night powerful Fort Belvoir will be out to stop our boys, and they will be followed by Wilson Teachers quintet on Saturday. It's easy to see that nothing has been left undone to furnish Lejeune with a full, rugged schedule. By the same token it is only fair that we support the team with our presence at the home games. The guys that have shown up for the contests have yelled themselves hoarse . . . that's the type of team we have here at Camp Lejeune.

Football took its final curtain call when Coach Andruska's gridders ended the local season and the hopes of a highly regarded Little Creek eleven. Everything seemed to go right last Saturday for the Lejeune lads. Call it luck . . . the last game of the season, or what you will, but the team played magnificently against the "Gators." The savage tackling and terrific blocking played a great role in the large score. Team work was especially exemplified in those long runs by Agganis and Godwin. . . . And what did you think of that atomic ball delivered by 260-lb. Les Molnar to clear the way for Agganis earlier in the game? Speaking of Agganis, he completed seven out of nine passes, three of them for touchdowns, and on two other occasions he lugged it over himself.

Along about this time the phrase All-American is frequently heard. You have undoubtedly seen countless magazines and newspapers with double page spreads on their choices for 1950.

This is usually held on the collegiate scale. . . . very little is said about the outstanding performers that complete the rosters of Service clubs. Leatherneck magazine does its part by annually listing their selections of All-Marine, All-American football candidates. These selections are gleaned from Marine sports scribes all over the nation. Since we were one of the persons asked, we'd like to give you our selections for All-Marine honors. In all fairness to the fine West Coast teams, which unfortunately we were unable to witness personally, we have compiled an All-Eastern, All-Marine team only.

Here it is. What do you think?

Locals Down ACC In 73-41 Contest

The Camp Lejeune Basketball squad made it two in a row last Friday night when they defeated, the Atlantic Christian College Bulldogs, 73-41.

The Bulldogs, playing their first game of the season, opened with a goal by Ray Ingraham, but that was the only lead they held for the rest of the game.

A crowd of nearly 1,100 saw the Marines leading at half-time, 40-16. Jimmy Smith and Seb Sebring shared the bows with 13 points each.

Atlantic Christian's high man was Joe Allsbrook with 10 points. Smith pushed the Marines into an early lead with a pair of set shots after Smoky Stoyall and Jim Teefer tied it up with a free throw apiece.

The Marines' lead continued to grow as Teefer, Frank Januszewski and Smith parted the nets with two pointers. The Lejeunemen had it made from there.

At the start of the last half, Lejeune opened with a lay-up by Chuck Leach and two buckets by Sebring. Atlantic Christian then hit with what looked like a comeback as Allsbrook, Cohen Tart and Allsbrook dumped three fast counters. But the drive waned and the Marines rolled on.

Smoker Scheduled Here For Dec 12

Leather pushing Marines are going to get a chance to show their stuff in the ring at a Post smoker to be held in the new Field House on December 12.

Varsity boxing coach Joe Karlage informs us that the first contestants will enter the squared circle at 8:00 p.m. and nine other bouts will follow.

Boxers from the Eighth Marines, Courthouse Bay and other Division units will participate on the card.

At the close of hostilities, outstanding boxers will be chosen to represent Camp Lejeune in future bouts with other service teams.

Assisting varsity coach Karlage in the smoker is Andy DePaul, newly arrived Marine to Camp Lejeune.

DePaul, coach for the Eighth Marines, is a professional welter-weight himself, and before his recall to active duty he was scheduled to meet Paddy DeMarco in Madison Square Garden.

He is the son of the former feather-weight champion of the world, Benny Woodcock.

Golfing News

The Golf Group of the Officers' Wives Club held their November business meeting on Thursday, November 30. Prizes for the November tournaments were awarded to Alice Chesterfield, Ruth Opp, Marge May, Evelyn Richards, Betty Hayden, Barbara Zastrow and Doris Andruska.

December tournaments will be as follows:

- 6 Criers
- 12 Blind Hole
- 20 Least Putts
- 27 Low Net

Tournaments are played each Wednesday, and score cards may be turned in any time during the day. All officers' wives who are interested in joining the Women's Golf Group, phone 6234 for details.

Lejeune VS Keesler In Gulf Coast Bowl

BY SSGT. EARL WILSON

As a fitting climax to a highly successful season, the Camp Lejeune Marine varsity football team accepted an invitation to play a post-season game in the "Electronics Bowl" in Biloxi, Miss., on Sunday, Dec. 10.

Their opponent will be the Keesler Air Force Base eleven from Biloxi, Miss., which is reported to be the "Leading Air Force team in the nation."

The Keesler "Flyers" have built up an enviable reputation for the 1950 season, having won eight out of nine games played and scoring a grand total of 278 points to their opponents' mere 22.

Scored on but three times the entire season, the Flyers climaxed their 1950 schedule by whipping Whiting Navy to the tune of 45-0. For the records, Whiting had previously beaten Eglin Air Base, 9-0; Lejeune beat Eglin, 41-7. Statistically figuring, this should make the Lejeune Marines a 19-point underdog.

The Lejeune gridders maintain an equally enviable record however, having won seven out of 10, one a tie, to rack up 291 points to their opponents' 96.

The invitation to play in the Electronics Bowl is a great reward to the players from Lejeune who

Quantico Loses To Pacific Team

STOCKTON, Calif., Dec. 3.—The College of Pacific Tigers spoiled Quarterback Eddie LeBaron's homecoming here yesterday by defeating their Little All-American Star of 1949 and his Quantico Marines, 37-14, before a crowd of 16,000.

The game, played under cold, overcast skies and in intermittent rain, saw the Leathernecks go out in front, 14-9, at halftime. The Tigers bounced back with three touchdowns in the third and one in the fourth to sew up their victory.

LeBaron hurried touchdowns passes to fullback Hosea Rodgers and to left end Bob McElroy.

played the 1950 season in an unstable and somewhat temporary status. At the outbreak of the Korean crisis, it was believed that Lejeune would not field a team this season and only the influx reserves kept the Marines in running.

Approximately 15,000 expected spectators will witness this Gulf Coast classic. The meeting being highly publicized and it is reported that the game will be televised as well as carried by the radio stations.

Radio station WJNC of Jacksonville, N. C. will broadcast the game starting at 1:45 EST. The play will be handled by Captain Jack Baker, with Lester Goulding the highlights and half-time color of the game.

The Lejeune gridders will be on buses Saturday morning for a trip to Charleston, S. C., where they will be met by planes from Keesler AFB for the three-day trip by air to Biloxi.

The Marines will be feted at the game and fishing trips in Gulf have been planned for the desiring to go.

Lejeune Sinks Amphibs Season Finale, 48-0

By SSGT. EARL WILSON

Over 6,000 elated fans watched Camp Lejeune Marines sink Amphibs from Little Creek, Saturday afternoon, 48-0 to the successful 1950 schedule all season.

led by Harry Agganis, the locals led a Little Creek fumble into the first three minutes of the game.

It came about as Martin sent opening kickoff down to the Amphibs one-yard line where it was taken by Keeton who was hit on the 20 and fumbled. Lejeune recovered and four plays later, with drives by Boller, Agganis and Godwin, Agganis passed the four to Boller in the end zone for Lejeune's initial tally, in missed the conversion and Marines led, 6-0.

With three exchanges of the pigskin and a punting duel between Keeton and Godwin, the ball was in midfield until the closing minutes of the first quarter when they recovered a Lejeune fumble to give the Amphibs a first down on the Lejeune 31.

Working the double and triple end zone, the Amphibs reached the Lejeune 10 for another first down. Biseglia passed to Petroka in the end zone, incomplete, and the next pass from Biseglia, intended for Petroka, Wally Williams, defensive back for the Marines, intercepted to give Lejeune the ball, first and 10 on their own 20 to end Little Creek's serious threat of the first quarter. The first quarter ended, Lejeune, 6; Little Creek, 0.

Lejeune's second score came in the closing minutes of the first quarter as Minahan, replacing Agganis as quarterback, carried for nine yards and a first down on the Amphibs 48. Godwin carried to the 30, and Godwin bulldozed his way down to the 25 for another first and ten for Lejeune.

Little Creek was penalized 15 yards for unnecessary roughness on the ball on the 10 for a first down for the Marines. Agganis ran in for Minahan and carried 13 yards and converted to make the score, 13-0. The half ended about 10 minutes later with Lejeune another TD march. Agganis ran 14 yards to place the ball on the Amphibs' 13, first and ten as a whistle blew for the end of the half period.

Living up to their reputation as a second-half team, the locals led the third period with Godwin taking the kickoff for a 23-yard runback, and two plays later Agganis passed to Petroka for a pass from Agganis to go yards for the tally. Martin made conversion and Lejeune led, 19-0 after one minute of the third quarter had elapsed. Four minutes later, Agganis scored an interception into another touchdown march as he

took the ball from the outstretched hands of Keeton on the 18 and went all the way to the Amphibs six. Place carried to the three and Agganis passed to Haffly in the end zone for TD number four. Martin converted to make the score 27-0.

With only 12 minutes gone in the third quarter, Little Creek punted to the Lejeune 33-yard line where it was taken by Agganis. The "Galloping Golden Greek" weaved his way downfield behind beautiful blocking to go over standing up. Lejeune, 34; Little Creek, 0.

Russ Picton came in at quarterback to lead the Marines to their sixth touchdown as he passed beautifully from the Amphibs' 45 to Darnell who made it to the three. Godwin carried to the one-foot line and Picton pitched out to Miller who went over for the score. Martin converted and the third period ended with Lejeune leading, 41-0.

The fourth period was highlighted by the terrific play of Lejeune's defensive squad who refused to let the Amphibs in scoring position. Agganis continually set them back on their heels deep in their own territory on a beautiful display of punting.

Two minutes remained in the game as Minahan again led the Marines to scoring territory. The attack bogged down on the Amphibs' 35 and just when it appeared the game would end on the existing score, McProuly intercepted a Little Creek pass on the 40, picked up his interference, and went the rest of the way behind outstanding blocking for the final TD of the game. Agganis passed to Darnell for the point after, and less than a minute later the game ended. Final score: Lejeune, 48; Little Creek, 0.

Lejeune Five Takes Season Opener 63-62

By SGT. BOB SUHOSKY

In a thrilling over-time game, the Camp Lejeune cagers came from behind to edge the East Carolina Teachers College quintet by a close 63-62 score before an opening night crowd of 1,200 here last Thursday.

The Pirates had a slim one-point lead when Lejeune's Bimbo Singer, displaying more outward calm than most of the excited spectators, arched a foul shot through the cords to tie the game at 57-all and force the over-time.

The Lejeunemen came back strong in the extra period. Jim Smith put the home club ahead on a free throw, followed in rapid succession by a basket by Smokey Stovall, a gift toss by Singer and a lay-up by Smith before ECTC's Warren Russell was able to score for the visitors.

East Carolina led 30-27 at half-time, largely by virtue of four baskets by Bobby Hodges.

Bob Sebring brought the Marines back into the ball game in the second half after they had fallen behind in the closing minutes. The rangy center cut the Teachers' seven-point lead with two baskets and a couple of free shots to set the stage for Singer's tying foul throw.

The game was tight all the way. The Marines' fast break got them off to an early lead, but the Greenville outfit edged ahead on shots by Hodges, Lou Collie and Toddy Fennell.

From there the score teetered back and forth until the Teachers took the half-time lead.

Sebring was high for the Marines, with 17 points, while Smith took second honors with 16. Russell and Hodges were tie for the Pirates, with 12 each.

Intra-Mural Football

The Intra-mural Football season closes this afternoon when the last three games scheduled will be played between teams in the American League. The National League closed its season yesterday, but results were in too late for inclusion in this edition of the Globe.

The outcomes of the final games have little effect on the standings of the leading clubs in the American League. As of November 30, the 2d Signal Battalion was still showing the way in its circuit with a record of 11 wins against only two setbacks. Should the Signalmen lose their final game today and the Hospitalers win, the Signal Battalion would still be champs in their division. The lone tie on the Corpsman record being the minute difference. The 2d Tank Battalion also seemed assured of the championship of the National League. The standing of the teams as of November 30 is as follows:

AMERICAN LEAGUE

Place	Team	W.	L.	Tied
1	Signal Battalion	11	2	
2	Naval Hospital	9	3	1
3	Supply School	8	3

Western—We have no available information about this picture except that it stars Charles Starrett and Smiley Burnett. . . . Family . . . Four Bells.

DALLAS
Tech. Western—Gary Cooper is back in the saddle again, which should be good news to his many admirers. This outdoor drama is filled with shooting, fighting, hard-riding, gallant gentlemen and villainous. Horse-oppy goers will really enjoy this one. . . . Family Three Bells.

JOAN OF ARC
Drama—Ingrid Bergman gives one of her greatest performances in this timeless story of the valiant Maid of Orleans. A re-issue, but not too old, it is a brilliantly filmed story of the saint's courage and heroism. . . . Faith . . . Family . . . Four Bells.

RIO GRANDE
Historical Drama—John Wayne and Maureen O'Hara are starred in this thrilling and exciting picture based on an incident during the Mexican wars when the U. S. Cavalry fought to make the Southwest safe for settlers. . . . Family . . . Three Bells.
